Re: VOCP 2<sup>nd</sup> Quarter FY 2015 Report, and 3<sup>rd</sup> Quarter FY 2015 Recommendation

---

NRS 217.260 requires the Board of Examiners to estimate available revenue and anticipated claim costs each quarter. The VOCP pays claims in accordance with the policies adopted by the Board pursuant to NRS 217.130. When a vendor accepts a payment reduced pursuant to these policies, NRS 217.245 provides that the claim is deemed paid in full. Claims are categorized as to their priority; and Claims categorized as the highest priority are paid, in whole or in part, before other claims.

Priority One and Two claims are paid weekly during the quarter, and accrued Priority Three claims are paid at the end of each quarter. Priority One and Two claims are bills for current medical treatment, lost wages, funeral expenses, counseling, etc. Priority Three claims are bills the applicant owed prior to claim acceptance such as hospital emergency room and related bills. The VOCP pays the "approved" amount, which is the amount approved for payment after bill review and application of fee schedules or other payment adjustments pursuant to Board policies.

### Claim Payments

The following chart shows claim payments made in FY 2015, by benefit type. As this chart shows the VOCP satisfied **\$6,782,706.87** in victim medical bills and claims for **\$2,468,367.78** of available funding. After bill review and application of Board Policies we have had a total savings of **\$4,314,339.09** over the billed amount in fiscal year 2015.

### Financial Review

The chart on the next page shows projected revenues and fund balances, including reserves for FY 2015, and recommendations for 3<sup>rd</sup> quarter FY 2015 based on projections. These projections of revenue and anticipated expenses are used for purposes of determining compliance with NRS 217.260 and policies of the Board.

<b>Recommended Priority 3 Payment Percentage 3rd Quarter FY15</b>	<b>100%</b>
*Average of last 6 quarters	

As required, a 45 day operating expense reserve of \$853,065.00 is maintained to cover up to 45 days of victim's claims and administrative expenses.

The increased level of claims paid in FY 2010 resulted in a 52.8% increase in the Federal Grant awarded to Nevada in FY 2012. This allowed us to increase our reserves to an amount sufficient to see us through the economic downturn. Our reserves for future claims stand at \$6.7 million. We expect to use these reserves over the next five years as the amount of our Federal Grant decreases.

Our current financial review shows that we have sufficient funding to cover remaining 2<sup>nd</sup> quarter Priority Three payments at 100%, and we are projecting sufficient funds to continue paying all claims at 100% in the third quarter of fiscal year 2015.

### **Recommendation**

We are projecting Priority One and Two payments totaling **\$882,520.53** and projected Priority Three payments totaling **\$562,431.62**, for a total expense of **\$1,444,952.15** for the 3rd quarter.

After reserving **\$853,065.00** for 45 days operating expenses, our budget shows VOCP revenues and reserves available for 3<sup>rd</sup> quarter total **\$5,297,766.11**.

Based on these projections the VOCP recommends paying Priority One and Two and Three claims at **100%** of the approved amount for the 3<sup>rd</sup> quarter of FY 2015.
